

# BUILDING WHAT MATTERS

## A Campaign for The Randolph YMCA

RANDOLPH YMCA

14 Dover Chester Road Randolph, NJ 07869

SPECIAL EDITION SPRING 2017

## HELP US REACH THE FINISH LINE

As a Randolph YMCA member you'll understand that we are at an exciting time in our history! We have accomplished so much in the past year, and I hope you have observed the changes that are in progress. We are making history at our Y, with our first ever capital campaign, The Building What Matters Campaign.

**I write today to ask you to join us to celebrate our unique spirit with a donation to the Building What Matters Campaign.**

This campaign aims to secure contributions that will be used to dramatically enhance our facilities. Thanks to our generous donors, the first phase of the project is already underway. Our Indoor Track and Fitness Equipment area is being renovated with a new track surface, natural lighting, new equipment, upgraded audio system, new spin room and HVAC.

**The highlight of the Building What Matters Capital Campaign is the planned addition of an ADA (American with Disabilities Act) accessible locker room as well as improvements in all existing locker rooms. Providing barrier-free access for hundreds of people preparing for physical activity and aquatic rehabilitation is critical and will be, quite honestly, truly life changing for many.**

I am inspired and humbled by our many benefactors who donated to this Campaign so far, we simply could not do it without them. It is an honor for me to be leading an organization that purely exists to strengthen our community. Our YMCA is on an extraordinary journey that I ask you to be part of.

**Please consider a gift to the Building What Matters Campaign.** I assure you that every gift that is made, regardless of the amount, is so important. The impact of your gift will be shared amongst our members and community for years to come!

I welcome your phone call or email to answer any questions you may have to learn more about our campaign and our vision.

Sincerely,

William J. Lamia
